DECISION about red carded player

On RRC match KBRK – Zagreb played in Belgrade 1st Oct 2011, Zagreb's player Filip Mijić was given red card in 80th min due to the repeating verbal insult to the referee. On hearing procedure after the match, player was given one match ban playing, based on level of offence and his previous disciplinary record. Hearing report was send to Croatian Rugby Union for further procedure and in their statement from 5th Oct 2011, this was qualified as internal RRC matter, as there was no time framed penalty.

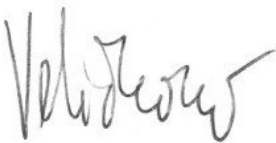

Therefore, in behalf of RRC, I decide that player Filip Mijić will not be allowed to play his next RRC match.

RK Zagreb next RRC match was scheduled for 26th November 2011 vs. KARC in Zagreb.

Filip Mijić is not allowed to play in RRC match Zagreb – KARC on 26th November 2011.

Any might be further decisions about this matter will be given by RRC Board.

Kind regards,

Denis Veličković

RRC Commissioner
